GROUP HIGHLIGHTS

Princess Cruises enables travel advisors to promote their cruises with confidence by removing some of the risks associated with space and pricing availability in the open market. This is done through our Travel Advisor's Group Program which offers:

- Discount off launch rates in Group categories
- Guaranteed inventory – on contracted space allotment
- Guaranteed pricing – for beds sold from the contracted allotment
- Amenities – offering added benefits and an element of exclusivity for each agency
- Tour Conductor/Leader (revenue credit) – one for every 16 guests booked on qualified promotions (lower berth guests only)

Advisors can create and tailor their groups with ease using Polar Online and are encouraged to promote with the amenities through a variety of media.

Fares in Group categories will receive a discount off Launch Fares (see Group section).

Here are 10 great reasons to promote groups on Princess!

1. Advantage pricing below Launch Fares for group categories.
2. No Group (bulk) deposit required for up to 16 beds.
3. Tour Conductor/Leader (revenue credit) is earned for every 16 lower berth sailed guests who book on qualified promotions.
4. Amenity points to add value and personalize the group.
5. Many FIT bookings automatically combine with groups to earn TCs and amenities.
6. Group amenities are protected from the first booking.
7. Flexibility to promote more sailings on any given itinerary.
8. Large Group Bonus Stateroom. Any affinity group larger than 250 beds can earn a bonus stateroom.
9. Group rates available for allocations of only 10 beds (five staterooms).
10. Group venues can be reserved when voyages open for sale.

1. FARES AND BOOKING CHARGES

General Information

Unless stated otherwise, all fares are cruise only and include non-commissionable fares (NCFs). Non-commissionable fares will be provided in each program release; however, NCFs may vary by category type, and are subject to change.

Taxes, Fees & Port Expenses are additional and remain non-commissionable.

“Logicals” (voyages created from combining sailings together) have terms and conditions based upon their combined voyage length. Similarly, cruisetours are based on the combined cruise and tour length.

Launch Fares

This is the term for all public FIT fares included in program releases. Launch Fares are available in all categories. Launch Fares are subject to availability and may change at any time, including fare increases.

Captain’s Circle Launch Promotion

This promotion offers an additional discount for past guests in all categories effective at program launch and expiring as follows:

Expire Date	Program
28-Feb-21	2021-2022 Australia and New Zealand on Royal Princess, Emerald Princess, Coral Princess and Sapphire Princess
30-Apr-21	2022 World Cruise on Coral Princess
30-Apr-21	2022 Canada New England and Summer Caribbean
30-Apr-21	2022 Alaska, Europe and Japan
30-Aug-21	2023 World Cruise on Island Princess
30-Sep-21	2022-2023 South America and Japan Fall Voyages
30-Nov-21	2022-2023 Australia including 2023 World Cruise on Coral Princess

Specific discount amounts and expiration dates vary by itinerary and cruise length and will be included in each program release. Discount is not applicable to third and fourth berth guests. Launch promotion discount does not combine with other promotional offers.

Captain’s Circle Combinability

The discount is combinable with launch fares and group fares. Not combinable with regionals and other past guest promotions or “new booking only” promotions (such as Flash rates). The Captain’s Circle Launch Promotion saving is not applicable to third and fourth berth guests.

Group Fares

Special group fares are available that offer savings off Launch Fares in select group categories. Most fares that go on sale 120 days before departure will combine with groups. Refer to the Group section for more information.

Single Occupancy

Single Guests occupying a twin stateroom pay an exclusive occupancy supplement of 200% for all categories.

NOTE: All calculations based on the cruise fare including non-commissionable fare.

Third and Fourth Occupancy

Special rates are available for third and fourth guests calculated as a discount off the double occupancy Launch Fare.

Onboard Credit/Spending

Certain types of onboard credits are not refundable at the end of the cruise, including promotional offers and group amenities. However, credits issued as gifts or goodwill credits will continue to be refundable. Note that onboard credit cannot be applied to Casino charges on passenger portfolios.

The types of non-refundable OBCs consist of:

- Promotional Offering (such as OBCs or pre-paid gratuities offered as part of 3 for Free)
- Group amenities
- Shareholder Benefit

OBCs that remain refundable include:

- Third-party gifts (unused OBCs purchased as a special service by credit card or agency commission is refunded back to the purchaser's credit card or the travel agency)
- Military Benefits
- In circumstances where Princess has issued as goodwill credit (due to technical issue, move over as requested by Princess, etc.)

Age Restrictions on Travel

Standard Policy:

All guests under the age of 21 must travel with a guest age 21 or older. Additionally, for groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are traveling with a parent or legal guardian. We are unable to accept group reservations for student and youth groups that do not conform to our minimum age requirements. Each guest agrees that they will always supervise any guests in their care to ensure all policies are strictly adhered to by all guests under their supervision.

PASSPORT REQUIREMENT WHEN MINORS TRAVEL WITH ONE ADULT ON VOYAGES GOVERNED BY THE U.S. WESTERN HEMISPHERE TRAVEL INITIATIVE (includes travel within BERMUDA, CANADA, CARIBBEAN, HAWAII, MEXICO, PANAMA CANAL, UNITED STATES). When minors are traveling with only one adult 21 years of age or older, Princess requires that all guests must be in possession of a valid passport. We have implemented this requirement because we want to ensure that your party remains together should an emergency arise that require one or more in your party to be disembarked in a non-U.S. port. We cannot guarantee that all members of your party will be allowed to disembark with just a WHTI-compliant document or birth certificate. Failure to present a valid passport for all guests traveling together will result in denial of boarding without refund of the cruise or cruisetour fare.

For cruises operating in Australia:

All guests under the age of 18 must travel with a guest age 18 or older.

Age-restricted cruises: For cruises departing from an Australian port between November 1st and January 7th, any guest under 19 years of age on the day they board the cruise must travel in the same stateroom as a responsible adult 19 years or older. In addition, from January 8th to January 31st, there is a limit on the number of guests under 19 years of age who can travel unaccompanied. Once the limit is reached, a responsible adult 19 years or older must travel in the same stateroom. We can advise you at the time of booking whether the limit applies to your booking. Princess Cruises can waive the responsible adult requirement at its discretion. The responsible adult is accountable for guests under 19 years of age in

their stateroom for the duration of the cruise, and the 'Rights of the Captain' will be applied to anyone who displays disruptive behavior.

For cruises operating in Japan:

All guests under the age of 20 must travel with a guest age 20 or older. Additionally, for groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are traveling with a parent or legal guardian. We are unable to accept group reservations for student and youth groups that do not conform to our minimum age requirements. Each guest agrees that they will always supervise any guests in their care to ensure all policies are strictly adhered to by all guests under their supervision.

For cruises operating in Taiwan and Singapore:

All guests under the age of 18 must travel with a guest age 18 or older. Additionally, for Groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are traveling with a parent or legal guardian. We are unable to accept group reservations for student and youth groups that do not conform to our minimum age requirements. Each guest agrees that they will always supervise any guests in their care to ensure all policies are strictly adhered to by all guests under their supervision.

Minimum Age Requirements

Cruise: Infants must be at least 6 months of age at the time of embarkation in order to sail.

Children must be at least 12 months of age at the time of embarkation in order to sail on the following:

- Any other itinerary which may in the opinion of the Medical Department present a significant risk to infants between 6 and 12 months of age requiring emergency medical care.
 - This would include World Cruises (excluding coastal segments), South America, Panama Canal, crossing the Tasman Sea (Australia-New Zealand), South Pacific Islands, including Hawaii-Tahiti (excluding fly cruising to French Polynesia with local cruising only).

All requests for an exception to the policy for infants between 6 and 12 months must be approved by the Chief Medical Officer.

Cruisetours: The minimum age for escorted cruisetours is 5 years.

Age Restrictions on Drinking, Gambling and Smoking

The age for gambling on Princess ships is 18 years old. The age for drinking on Princess ships is 21 years old*. Guests under the age of 18 will not be permitted in the Casino or Night Club after 11:00 p.m.

*For cruises sailing between Australia/New Zealand, Europe and Singapore ports, the drinking age will be 18 years old. For cruises sailing between Japan ports, the drinking age will be 20 years old.

4. DOCUMENTATION

Pre-Cruise Emails

Guests receive a coordinated series of emails, timed throughout the pre-cruise process to deliver just the information they need at that stage of their pre-voyage planning. It is critical that we receive the guest's email address when the booking is made.

In the event we do not have a guest's email address, the pre-cruise emails will be sent to the attention of their travel advisor's OneSource email address. If a direct guest does not provide an email address and they are booked directly through Princess, or if there is no recorded email address for the guest, travel advisor or agency, the personalized digital documents will only be viewable through the Cruise Personalizer®. For further details, please see the Personalized Digital Documents section of the Intranet.

Below is an overview of Princess Pre-Cruise emails.

Email #1 (deploys at time of deposit): Includes interactive content such as the bridge cam and videos of the ship as well as frequently asked questions about travel logistics, such as visa requirements, transfers and hotel packages.

Email #1a (deploys within 24 hours after email #1): Only to guests who qualify for EZ air fares

Email #2 (deploys 10 days prior to final payment): Captain's welcome, includes videos about the destination and ship's features as well as important notices and reminders. Also includes information about visa requirements to help prepare for upcoming cruise.

Email #3 (deploys 60 days before sailing): Highlights select shore excursions available throughout the voyage, available to book through the Cruise Personalizer®.

Email #4 (deploys 45 days prior to sailing): Includes information about the Princess dining experience, specialty restaurants and signature amenities onboard the ship. Topics include packing suggestions, the number of formal nights and onboard services.

Email #5 (deploys 30 days prior to sailing): Includes information about entertainment programs, spa, casino and shopping. Provides a chance to pre-purchase internet and beverage packages.

Email #6 (deploys 21 days prior to sailing): One last reminder to book shore excursions through Cruise Personalizer prior to sailing to take advantage of availability as many premier experiences tend to sell-out. Note that Cruise Personalizer will close for shore excursion bookings about seven days prior to sailing.

Email #7 (deploys 15 days prior to sailing): Cruise Director provides information about the exciting entertainment programs specific to the guest's ship and itinerary such as production shows, other entertainment such as Voice of the Ocean, and what movies will be available for Movies Under the Stars. Personalized information regarding the guest's Captain Circle benefits are also included.

Email #8 (deploys 3 days prior to sailing): Final reminders with pertinent boarding information and travel logistics such as boarding pass instructions, an embarkation day checklist and directions to the pier.

Guests who make a booking closer to the sailing date may receive all or some of the emails on a modified time schedule. For example, if a guest books at 40 days before sailing, they would receive emails #1 to #4 at some point within 40 days of sailing.

5. PRINCESS VACATION PROTECTION

Princess Vacation Protection (PVP) provides trip cancellation and interruption protection, trip delay, luggage protection, excess medical coverage and emergency evacuation coverage. Princess Vacation Protection protects guests from unforeseeable losses stemming from an array of circumstances, and unlike similar programs, Princess Vacation Protection allows them to cancel their vacation no matter what the reason.

If guests are delayed pre-cruise for a specified reason (inclement weather, strike/job action, equipment failure, etc.) under the Trip Delay benefit they are eligible for up to \$500 per person to cover costs associated with catching up to the cruise. This includes non-refundable prepaid sea/land arrangements, reasonable meal and lodging expenses, and the cost of one-way economy airfare (if independent air). If guests have booked EZair®, the cost of their air is covered under Late Arrival Protection instead of Pre-Cruise Trip Delay.

Post-Cruise Trip Delay

If guests are delayed post-cruise for a specified reason (inclement weather, strike/job action, equipment failure, etc.) under the Trip Delay benefit they are eligible for up to \$1,500 per person to cover costs associated with returning home. This includes reasonable meal and lodging expenses, and the cost of one-way economy airfare to return home.

Note that the total trip delay limit – pre-cruise and post-cruise – is a maximum of \$1,500 per person, should a guest experience multiple delays.

Trip Cancellation

If guests opt to cancel their cruise vacation for a non-specified reason, they are not eligible for cash reimbursement. However, the guests would be eligible for the following “cancel for any reason” Future Cruise Credits:

- 75% of the cancellation fee amount issued as a cruise credit for Standard Protection.
- 100% of the cancellation fee amount issued as a cruise credit for Platinum Vacation Protection.

Note that PVP does not reimburse cancellation fees stemming from changing all names on a booking.

In the case of Cruise Plus hotel packages or Cruisetours, notice must be received at least 72 hours prior to midnight preceding the commencement of the package date or the embarkation date, whichever is earliest.

7. PRINCESS EZair®

Program Overview

Cruise fares do not include air, however guests may purchase air using Princess EZair. The EZair® program offers guests and their travel advisors an experience similar to other automated air booking websites, but with flights tailored specifically to their cruise. All available flights can be reviewed in real time and the desired time, carrier, number of stops and class of service will be confirmed upon booking.

The EZair® program features no customization fees. Customized flight itineraries are available to all guests. Guests have the freedom to choose their air carrier, flight schedule and class of service without incurring a separate charge.

All guests who book air travel through Princess Cruises will be automatically enrolled in the Princess Late Arrival Protection program. If guests miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Princess will do what we reasonably can to work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the guest.

If for any reason your cruise arrives late into port or your Princess transfer is delayed to the airport and you miss your return flight, Princess will work with the airline to rebook your flights to get you home.

The EZair® program features two types of air options with competitive fares and flight routings which can be viewed side-by-side for determining the option that best meets the guests' travel needs. These two air options are Flexible and Restricted, as described below.

Flexible Air

Flexible Air Highlights:

- Air charges are fully refundable if flights are cancelled or changed outside of 45 days prior to the outbound flight date or sail departure date (whichever is earlier).
- Payment is due at the cruise booking final payment date.
- Late Arrival Protection is included.

Restricted Air

Restricted Air Highlights:

- Air charges are non-refundable (i.e., no cash back) if flights are cancelled or changed beginning 24 hours after purchase.
- When Restricted Air is cancelled, a FAC (Future Air Credit) memo is generated in the guest's booking (see Cancelling EZair® section for complete details).
- Payment is due when the air is booked.
- Late Arrival Protection is included.

Booking EZair®

Flights are available to book approximately 320 days prior to the end of the cruise vacation and up to 4 days prior to the cruise departure, subject to availability. The cruise booking must be completed and a cruise deposit must be paid before any air can be booked, although flights may be searched for when checking cruise booking availability. There are three options for adding air to a cruise booking, depending on the guest type. In all three cases, the same powerful search tool is used to find and select air.

- POLAR Online for Travel Advisors.

- www.princess.com and Cruise Personalizer®.
- Call Reservations.

Cancelling EZair®

Air cancellation policies differ depending upon the type of air booked, either Flexible or Restricted. The cancellation fee amount (if applicable) will display prior to completing the change. Air bookings will automatically cancel when certain booking changes occur as shown below:

- Any guest name change or correction.
- The booking is cancelled.
- The gateway city is changed.
- Addition of packages before or after the cruise.
- Cruise is rebooked to a new sailing.

Flexible Air:

When Flexible Air is cancelled a refund may be issued, less the carrier's and Princess' cancellation fees. A cancellation fee will only apply if air is cancelled within 45 days of the outbound flight date or sail departure date (whichever is earlier). Notification will advise users that air will cancel if the change is made, as well as any applicable air cancellation fees.

Restricted Air:

Restricted Air can be cancelled without penalty only within 24 hours of purchase. After 24 hours, a cancellation fee will apply and a Future Air Credit memo (FAC) may be generated. The value of the FAC memo will be the air cost less carrier and Princess' cancellation fees. FACs are memos in the guest's booking showing that they have an outstanding credit with the cancelled air carrier, which can be applied to a future Princess EZair® booking with the same carrier or redeemed directly with the airline. FAC memos are non-transferable, non-refundable and cannot be used for any purpose other than flights on the same carrier, typically within 365 days from the date of issue. However, the redemption time frame may vary by carrier and is subject to change without notice at the carrier's discretion.

Onboard Product

At Princess, we aim to deliver a consistent onboard experience across our fleet of ships, providing a relaxed retreat at sea. There are a small number of differences, including:

Ships deployed in **Australia** offer a more “Australian flavor” of cruising, including more Australian guest-oriented entertainment, food and beverages.

Ships deployed roundtrip from **Japanese** ports offer a more “Japanese flavor” of cruising, enhanced with Japanese entertainment acts, lecturers, Japanese language karaoke and a variety of local beers, sakes, shochus and whiskies to complement our core product offerings. Dining room menus are slightly augmented to cater to Japanese tastes, and an a la carte sushi bar is offered in addition to our alternative dining venues. Note that Anytime Dining is not available on roundtrip Japan voyages (traditional first/second seating dining is available).

Ships based in Taiwan offer a more Taiwanese flavor of cruising, with the majority of the passengers being from Taiwan. While the Princess Cruises product will be substantially the same as that offered around the world, several modifications have been made to enhance the experience for our guests from Taiwan. These include, but are not limited to, entertainment acts, lecturers, Chinese-language karaoke, and a variety of local beers and whiskies. Dining room menus may be slightly augmented to cater to Taiwanese tastes. Other offerings such as the shopping selections and spa treatments will also be tailored to Taiwanese preferences. In addition, all standard onboard collateral items and stateroom information will be offered in both Traditional Chinese and English.

Ships deployed round trip from Japan will continue to feature English language onboard and English language shore excursions.

Onboard Currency

Onboard currency on all ships (except ships deployed in Australia) will be US dollars.

Ships deployed in Australia will have Australian dollars as their onboard currency. All purchases made onboard, including shore excursions, will be in this currency.

Ships deployed round-trip within Australia or between Australia and Asia will have Australian dollars as their onboard currency. All purchases made onboard, including shore excursions, will be in this currency.

11. CRUISE SALES PROGRAM

Program Overview

Princess offers promotions that provide a special incentive for agencies to use for Cruise Sales. A “Cruise Sale” is the term used for any event given by a Travel Advisor designed to generate cruise bookings or prospects. Cruise Sales can be used for FIT or group sales. A group is not required in order to launch a Cruise Sale. The Cruise Sales Program is as follows:

- One onboard value coupon booklet per person (worth over \$900 USD).
- Cruise Sales available on voyages 3 days or longer.
- The program includes a reduced deposit for both USD and CAD bookings:

Cruise Length	Reduced Deposit per person
3 to 6 days	\$50
7 days or longer	\$100
World Cruise and 45+ day segments	5%

The following are parameters of the Cruise Sales Program:

- Advisors may hold two Cruise Sales per quarter, up to six per year.
- The promo codes for the Cruise Sales program are CN6 (USD) and CD6 (CAD).
- Cruise Sales are combinable with group amenities.
- Standard Cruise Sale is 7 days in length.
- Not applicable to third/fourth berth guests.
- Singles will receive one onboard value coupon booklet.
- Not combinable with Incentive Groups, travel advisor, interline and employee promotions.
- Reduced deposit is not combinable with non-refundable deposit offers
- Combinable with Flash promotions to receive coupon booklet, but do not receive reduced deposit.
- World Cruise bookings will require a second deposit of 10% as noted in deposit section.

Creating, managing and tracking of Cruise Sales can only be managed using POLAR Online.

GROUP POLICIES AND PROGRAMS

12. TRAVEL ADVISOR’S GROUP PROGRAM

Overview

Princess Cruises enables travel advisors to promote their cruises with confidence by removing some of the risks associated with space and pricing availability in the open market. This is done through our Travel Advisor’s Group Program which offers:

- Guaranteed inventory – a contracted space allotment.
- Guaranteed pricing – for beds sold from the contracted allotment.
- Amenities – offering added benefits and an element of exclusivity for each agency.
- Tour Conductor/Leader – one for every 16 guests booked on qualified promotions.

Advisors can create and tailor their groups of up to 100 beds with ease using Polar Online and are encouraged to promote with the amenities through a variety of media.

Guaranteed Inventory

Princess Cruises will guarantee a minimum allocation of 10 beds for each group created. This space is subject to recall per the policies below but requires no deposit for up to 16 beds.

Advisors may, if they choose, opt to hold more than 16 beds (up to a maximum of 250 beds on any single group, see below for details) provided they pay a deposit for that space. This is called a “Bulk Deposit” and details can be found on the next page.

Group allocations are available on all sailings regardless of duration.

When booking from the allocated space, guests are still able to choose their stateroom at time of booking (provided they are not booking a guarantee promotion).

Group space is not recalled on specific deposited blocked staterooms when the appropriate standard deposit has been paid on that stateroom.

Guaranteed Savings

Whatever the size of the guaranteed allotment (up to a maximum of 250 beds), Princess will also guarantee the fare for those beds in group categories. The fare for categories sold outside of the contracted allotment will be the prevailing rate.

Group Lead-in Fares for each stateroom type will be discounted off Launch Fares as noted below.

Voyage Length	Discount per Lower Berth in Group Categories
3 to 12 days	\$50
13 days or longer	\$100

Once an allotment is sold, advisors can continue to sell into their group categories at the group rate on a space available basis. All fares outside 120 days will combine into the group if a guest qualifies so advisors can keep track of their bookings for the purposes of dining, etc. Once at 120 days or less, select promotions may not combine into groups to earn amenities and will not be used to calculate free berths.

Number of Groups

Advisors may establish 8 groups per month across all ships and trades, offering greater flexibility for travel advisors, by allowing them to target a specific set of itineraries and promote every sailing on that itinerary for a given month. Cruisetour allocations are included in the total allocation limits and some departures with small capacity may not offer any group allocations.

Group Size

The maximum allotment size covered by our standard policies is 250 beds on most ships. Allotment requests over 250 beds require a large group concession request from a BDM (Business Development Manager). Large Groups may not exceed 800 beds on any ship. For Alaska Cruisetours, the maximum group size is 32 beds.

Large Group Bonus Stateroom

Large groups (any non-incentive group larger than 250 beds, first and second berth guests only) can receive a bonus stateroom once 100 full-fare guests are achieved. The bonus stateroom will be automatically awarded based on the average net fare of the staterooms booked. Allocation starts at 252 beds.

Bulk Deposit

There will be a \$25 deposit per bed required for groups of more than 16 beds (deposit policy differs for incentive groups as shown in the incentive group section). At the time the bulk deposit is due, deposits collected from guests for the sailing count towards the bulk deposit. For groups below 250 beds, the group bulk deposit is required 240 days prior to departure, rather than 30 days from the contract setup.

Block Stateroom Deposit

Advisors may block specific stateroom categories on any ship. The block stateroom deposit policy requires the standard FIT deposit amount to block a stateroom. Wheelchair-accessible staterooms may be blocked for any agency. Suites may not be blocked. Advisors must pay the standard FIT deposit for the stateroom based on double occupancy. Deposit is due within 30 days of contract signing.

The Block Stateroom Deposit is in addition to the Bulk Deposit.

Amenity Points

Each Princess cruise of three days or longer offer a set number of amenity points as part of the Travel Advisor's Group Program. These points can be used to 'buy' amenities to customize each agency's group. The consumer amenities are protected for bookings made on qualified promotions even if the minimum size to qualify as a group is not met. Refer to Appendix A for available amenities and their point values.

The number of amenity points available on each cruise can be found in the Program Release and varies over time. Although amenity points are subject to change at any time, our intention is to reduce them according to the same schedule as the group recall dates (see next page for details).

Groups taken out before the first recall date will receive up to the initial amount of amenity points shown in the program releases. After the first recall date, the number of amenity points will be reduced. Groups taken out after the second recall date will not receive amenity points.

All group amenity points that are unassigned 90 days prior to departure will be forfeited for cruises of 6 days or longer and at 75 days for cruises from 3 to 5 days. Amenity points are allocated at a stateroom level and only apply to lower berths as detailed in Appendix A.

Amenity Point Purchase

Travel Advisors can provide further customization to groups by purchasing amenity points at a cost of \$6.25 per person per point. As amenities can be purchased, concession requests should not be submitted for additional points for groups. When selected, the cost for amenity points will be deducted from the Travel Advisor's commission.

Code	Cost (in USD)	Description
GX1	\$6.25 per person	Purchase of 1 Amenity Point
GX2	\$12.50 per person	Purchase of 2 Amenity Points
GX4	\$25.00 per person	Purchase of 4 Amenity Points

NOTE: Amenity points must be purchased up to 150 days prior to the departure date for sailings 6 days and longer, and 110 days prior for sailings of 3 to 5 days (2nd recall).

Group Onboard Venues

Travel Advisors can reserve venue space for groups through our Group Services department. The venue request process has been enhanced with new automated tools which give us better visibility of venue availability. With the new enhancements, Group Services is now able to: accommodate venue requests as soon as voyages are open for sale, provide more venue options and reserve venue requests immediately over the phone. Note, at final payment, the venue confirmation is subject to the group's conversion rate (if more or fewer beds are sold than were originally reserved).

Tour Conductor/Leader (Revenue Credit)

Groups earn one Tour Conductor/Leader (revenue credit) for every 16 lower berth guests booked on qualifying promotions. If an agency has both a cruise and cruisetour group on the same voyage, any unused cruisetour group bookings will apply towards the cruise only group Tour Conductor/Leader (revenue credit) count. This is not applicable in reverse: residual cruise only bookings do not count towards earning cruisetour TCs (revenue credit).

The value of the Tour Conductor/Leader credit is calculated based on the group's average commissionable cruise fare, less Non-Commissionable Fees (NCF), Tax, Fees and Port Expenses for first and second berth guests only, less commission. The credits are calculated at the time of finalization (14 days prior to departure) and applied to a booking at the discretion of Princess Cruises. Revenue credit is refunded 7 - 10 days before the sailing date.

For Japan homeport voyages only, the tour conductor default in Polar will be setup for Location 1 as 1:32 (Location 4 will be setup as 1:16). All non-Japan groups setup in Location 1 will need to add the GJ3 promo to add 3 points to the group in order to receive 1:16 TCs.

Note that tour conductors not applicable on voyages less than three days.

Group Combinability

A key strength of the Princess Group Program is combinability with different promotions.

- Outside 120 days all public and past guest fares combine into the Group Program and allow advisors to earn TCs on all bookings, as well as apply amenities to all bookings.
- Public sales (Limited Time Offers) will always combine with groups. (Similar sales promotions by our competitors do not typically combine with groups or their loyalty program.)

- A public fare that combines with groups will always be available (even when we are selling flash fares). This allows advisors to sell a higher fare with group benefits within final payment.
- Inside 120 days all public nationwide fares combine with the Group Program.
- The Group Program does not combine with direct mail/email fares launched inside 120 days or Flash Fares.

Multi-Currency

North American agencies have the option to book guests in either USD or CAD. Rates for CAD groups will be based on the Princess exchange rate at time the contract is opened. Upon request, bookings made in different currencies on two group contracts on the same voyage can be combined for TCs and group amenities.

Collection and Overpayment

Travel advisors may charge third party services as part of the cruise fare up to a maximum of \$500 per person. Any amount in excess of \$250 must be submitted by Travel Advisor via a Value-add request form. In the event of cancellation of the cruise or dispute, Princess will refund all amounts to the guest.

Recall Schedule

Group space will be recalled according to the following schedule:

Voyage Length	1st Recall Days Prior	2nd Recall Days Prior	Final Recall Days Prior
Sailings 5 days or less	130	110	75
Sailings 6 to 24 days	180	150	120
Sailings of 25 days or more (excluding Full World Cruise)	210	180	150
Full World Cruise	240	210	180

Route sectors that have the same voyage number as the cruise on which they are built will use the same recall schedule as that cruise. “Logicals” (voyages created from combining sailings together) have terms and conditions based upon their combined voyage length.

Recall dates can be extended by 20 days using Polar Online; however, extensions are not available for sailings 5 days or less.

The amount of space recalled at each interval is a function of how many beds have been sold at each recall date.

The following schedule shows what percentage of space will be recalled at each interval. Travel Advisors may keep 50% of their space at the First Recall date even if no beds have been sold.

% of (remaining) allotment to be recalled	Number of beds Sold	1-50 beds sold	More than 50 beds sold
First Recall	50%	50%	0%
Second Recall	100%	50%	0%
Third and Final Recall	100%	100%	100%

All space is subject to hard recall at any time.

13. TRAVEL ADVISOR'S INCENTIVE GROUP PROGRAM

General

Incentive groups of at least 16 guests will receive reduced launch fares in group categories with the standard Tour Conductor/Leader benefit. These groups have special deposit and cancellation charges associated with them – as outlined below.

Reduced launch fares will be based on an up to 10% discount off launch group rates for select trades/voyages. Incentive group discount percentage may vary and is subject to change at any time.

Trade	Discount off group launch rates	MICE amenity points
Alaska	5%	6
Canada/New England	5%	6
All Other Trades	10%	6

Amenities for this program differ from the published standard amenities as outlined below. Although groups may still select amenities from the published standard group amenity program, the amenities from this program are richer, providing better value in most cases.

Advisors will work closely with our Incentive Sales Team to tailor a product that is right for their group.

Amenity Points

All incentive groups on voyages 3 days and longer will receive 6 amenity points in place of the published points on a voyage. Groups may choose from either the special incentive group amenity list or the published standard group amenity list; however, the special incentive group amenities are significantly higher in value.

These points can be used to 'buy' amenities from the special incentive group amenity list or from the published standard group amenity list to customize each agency's group. Refer to Appendix B for available special incentive group amenities and their point values. Refer to Appendix A for available published standard group amenities and their point values.

All group amenity points should be assigned at group inception; however, those unassigned 90 days prior to departure will be forfeited for cruises of 6 days or longer and at 75 days for cruises from 3 to 5 days. Amenity points are allocated at a stateroom level and only apply to lower berths as detailed in Appendices A and B.

Amenity Point Purchase

Extra amenity points may **not** be purchased with the Incentive Groups program. The program is capped at 6 points per voyage.

Free Site Inspection Stateroom

A Free Site Inspection Stateroom is available without the use of amenity points. This policy is based on a minimum of 100 sailed guests and offers one site inspection stateroom for every 100 lower berths sailed, with a maximum of three staterooms. The cruise fare paid for the inspection stateroom will be credited against the incentive group revenue.

Group Combinability

The Travel Advisor's Incentive Group Program does not combine with public, past guest or other promotional fares.

Standard Terms

Used for groups with an allocation size up to 250 on all ships. Maximum group size of 800 beds on all ships.

Large Group Terms

Used for groups with an allocation in excess of 250 on all other ships.

Additionally, these special terms may be invoked in other circumstances such as when a group procures an allocation in excess of 80% of a stateroom category type.

Both terms vary according to the product types below:

- 3, 4 and 5-day sailings
- 6, 7 or 8-day Mexico and Caribbean
